

SANDY GARRETT  
STATE SUPERINTENDENT OF PUBLIC INSTRUCTION  
STATE OF OKLAHOMA

October 30, 2008

Dear Superintendent:

In accordance with No Child Left Behind (NCLB) legislation, schools and districts are required to distribute annual report cards in order to inform parents and the public of student performance and program effectiveness. The State Department of Education (SDE) has prepared a 2007-2008 *No Child Left Behind Act* Annual Report Card for your district. This report, which presents Academic Performance Index (API) scores and Adequate Yearly Progress (AYP) determinations, along with student achievement results for math and reading meets all the statutory requirements of the *No Child Left Behind Act*.

The NCLB district report cards are available on the SDE Web site <[www.sde.state.ok.us](http://www.sde.state.ok.us)> for you to link or download. Report cards for the individual school sites must be requested. Requests for school site report cards may be submitted to <[Karen\\_Robertson@sde.state.ok.us](mailto:Karen_Robertson@sde.state.ok.us)>. Please include the county, district, and site code(s) for the report card(s) you are requesting. An electronic copy of the requested reports will be sent to you. Districts and schools may design and distribute Annual Report Cards unique to your district utilizing all data provided in the online SDE Report Cards.

Please contact the Office of Accountability and Assessment, at (405) 521-3341, with any questions regarding your Academic Performance Index and Accountability Report Cards. Our staff will be happy to assist you.

Sincerely,
